

2016 Garbage & Recycling Pickup Schedule

Garbage and recyclables are picked up every other week on Thursdays. Garbage is to be put out by 6:00 a.m. If weather conditions on the day of collection prevent collection, service will then be on the following day, or Fridays. The schedule for pickup of garbage and recycling is as follows:

The following are the Thursdays and two Fridays on which garbage for residents on both sides of Elm Road and to the east of Elm Road will be picked up:											
January 14	February 11	March 10	April 7	May 5	June 3	July 14	August 11	September 9	October 6	November 3	December 1
January 28	February 25	March 24	April 21	May 19	June 16	July 28	August 25	September 22	October 20	November 17	December 15
					June 30						December 29

The following are the Thursdays and two Fridays on which garbage for residents to the west of Elm Road will be picked up:											
January 7	February 4	March 3	April 14	May 12	June 9	July 8	August 4	September 1	October 13	November 10	December 8
January 21	February 18	March 17	April 28	May 26	June 23	July 21	August 18	September 15	October 27	November 25	December 22
		March 31						September 29			

- The Town of Angelica is serviced by Harter's Fox Valley Disposal, LLC for the pickup of both garbage and recyclables for town residents. They can be reached by calling 715-253-2619 from 7:00 a.m. until 5:00 p.m., daily, Monday through Friday, excluding holidays for the purpose of handling complaints and other calls regarding refuse collection service provided by Harter's.
- It is **VERY IMPORTANT** that residents make a good effort to recycle all their recyclables. The town receives an annual recycling grant from the State. This grant requires a certain amount of recycling per resident and if the town does not meet this target amount we are in danger of losing that grant. If that happens the town will have to use money from the tax levy to offset this loss of funding.
- Blue semi-transparent bags are to be used for recyclables and no stickers are needed. Clear bags are to be used for garbage. A 30 to 35 gallon garbage container can be used. **Recyclables and garbage will not be picked up if recyclables are found in the garbage or garbage is found in the recyclables.** Please note that there is a 5-bag limit per home per every other week pickup.
- There is a Large-Item Pickup Day scheduled for every other Wednesday. Call Harter's Fox Valley Disposal at 715-253-2619 for dates and special arrangements can be made for pickup of construction materials, appliances and furniture for a fee. Also, these items can be taken to the Shawano City Landfill at 715-524-2230 located at 1099 Rusch Road for a fee.
- Arrangements have been made with the Brown County Hazardous Waste Facility located at 2561 South Broadway in the Village of Ashwaubenon to take household products that contain hazardous materials from Shawano County residents. There is no charge for bringing these items to the Hazardous Waste Facility. Hours at the facility are on Thursdays, noon to 8:00 p.m. and Saturdays, 8:00 a.m. to 2:00 p.m. For more information call: City of Shawano Public Works Department at 715-526-3512.
