

## 2019 Garbage & Recycling Pickup Schedule

Garbage and recyclables are picked up every other week on Thursdays. Garbage is to be put out by 6:00 a.m. If weather conditions on the day of collection prevent collection, service will then be on the following day, or Fridays. The schedule for pickup of garbage and recycling is as follows:

The following are the Thursdays and four Fridays on which garbage for <b>residents on both sides of Elm Road and to the east of Elm Road</b> will be picked up:											
January 10	February 7	March 7	April 4	May 2	June 13	July 11	August 8	September 6	October 3	November 14	December 12
January 24	February 21	March 21	April 18	May 16	June 27	July 25	August 22	September 19	October 17	November 29	December 27
				May 31					October 31		

The following are the Thursdays and two Fridays on which garbage for <b>residents to the west of Elm Road</b> will be picked up:											
January 4	February 14	March 14	April 11	May 9	June 6	July 5	August 1	September 12	October 10	November 7	December 5
January 17	February 28	March 28	April 25	May 23	June 20	July 18	August 15	September 26	October 24	November 21	December 19
January 31							August 29				

- The Town of Angelica is serviced by Harter's Fox Valley Disposal, LLC for the pickup of both garbage and recyclables for town residents. They can be reached by calling 715-253-2619 from 7:00 a.m. until 5:00 p.m., daily, Monday through Friday, excluding holidays for the purpose of handling complaints and other calls regarding refuse collection service provided by Harter's.
- It is **VERY IMPORTANT** that residents make a good effort to recycle all their recyclables. The town receives an annual recycling grant from the State. This grant requires a certain amount of recycling per resident and if the town does not meet this target amount we are in danger of losing that grant. If that happens the town will have to use money from the tax levy to offset this loss of funding.
- **PLEASE NOTE THAT EFFECTIVE January 1, 2018** blue semi-transparent bags are no longer to be used for recyclables. Recyclables are to be loose inside of a container. Clear or white bags are to be used for garbage. Do not use black trash bags. A 30 to 35 gallon garbage container can be used. **Recyclables and garbage will not be picked up if recyclables are found in the garbage or garbage is found in the recyclables.** Please note that there is a 5-bag limit per home per every other week pickup.
- There is a Large-Item Pickup Day scheduled for every other Tuesday. Call Harter's Fox Valley Disposal at 715-253-2619 for dates and special arrangements can be made for pickup of construction materials, appliances and furniture for a fee. Also, these items can be taken to the Shawano City Landfill at 715-524-2230 located at 1099 Rusch Road for a fee.
- Arrangements have been made with the Brown County Hazardous Waste Facility located at 2561 South Broadway in the Village of Ashwaubenon to take household products that contain hazardous materials from Shawano County residents. There is no charge for bringing these items to the Hazardous Waste Facility. Hours at the facility are on Thursdays, noon to 8:00 p.m. and Saturdays, 8:00 a.m. to 2:00 p.m. For more information call: City of Shawano Public Works Department at 715-526-3512.
