

## Town of Angelica Planning Committee

July 7, 2020

Town of Angelica Committee Present: Chairman Richard Ferfecki, Secretary Connie Nischke, Tom Gwidt

Others Present: Skyler Adamski, Morgan Becker

### Public Hearing

Richard Ferfecki, Chairman of the Planning Committee opened the hearing at 6:30. The Pledge of Allegiance was said. He verified with the Committee Secretary that the public hearing had been posted, introduced planning committee and explained the procedure.

**Request #V-1-20.** Skyler Adamski and Morgan Becker requested a variance to construct a 30' X 40' garage 48' from the ordinary high water mark of an unnamed creek (WBIC 416300) where 75' is required at W1180 Deer Dr. , Pulaski.

**Legal Description:** 004-27340-0010. SE ¼ SE ¼ Sec 27 T26N R18R, Town of Angelica, Shawano County, Wisconsin. .85 acres

Skyler Adamski and Morgan Becker were present to request a variance to build a garage on their property. They are not in a floodplain. It makes the most sense to construct the garage with the high water mark 48' instead of the 75' because of where their property line is and because their septic is located on the east side of the property. The DNR is ok with the request but Richard Ferfecki pointed out that an 18" berm should be put along the creek on their side of the property to prevent any unnecessary water runoff from entering the creek. No one was present to object to the request.

### Town of Angelica Planning Committee Meeting

The meeting of the planning Committee was called to order immediately following the Public Hearing by Chairman Richard Ferfecki. The committee verified with the Secretary of the Committee, Connie Nischke, that the notice of the meeting and agenda had been posted properly.

A motion was made by Ferfecki, and seconded by Nischke to approve of request V-1-20 with a condition that an 18" berm be placed around the creek and the Adamski side of property. The motion carried unanimously.

A Motion was made by Nischke and seconded by Gwidt to adjourn the meeting. The motion passed unanimously at 7:30. The next meeting will be August 4, 2020.

Respectfully submitted,

*Connie Nischke*
