March 23, 2020

Town of Angelica Residents,

By now you have all heard about the COVID-19 cancellations around the country. The Town of Angelica Board would like to let you know that we will be having our town board meetings as usual. We will only take up very important issues that need to be addressed, such as paying monthly bills, setting dates for upcoming meeting, and etc. There will be no public comment session during the town board meetings unless there is a safety concern. We ask that you conduct as much business as you can via phone or the town website.

The Annual town meeting will take place on April 21, 2020, but you are advised to use discretion on attending all future meetings. To minimize risk and comply with gathering size guidelines, we need to limit people to 10 (including board), and to practice social distancing.

Thank you for your cooperation in this matter.

Town of Angelica Board,

Richard Ferfecki, Chairman
James Przybylski, Supervisor
Greg Van Asten, Supervisor
Lisa Matuszak, Treasurer
Connie Przybylski, Clerk
