MOTION (Przybylski/Van Asten/PASSED UNANIMOUSLY) to approve the Treasurer's report as presented.

Correspondence \& Clerk's Report: Clerk Przybylski presented correspondence received which consisted of (1) Letter from DNR about land parcel entering the MFL program (2) three fire incident reports from the Pulaski Tri County Fire department (3) Christmas card and thank you from Rural Mutual Insurance (4) Bonduel EMS monthly report for December. Clerk Przybylski also gave the board about a concern of water backing up on West Town Road. Clerk Przybylski talked about the number of calls about the new garbage and recycling carts. Average of three to five calls per day since December 21. Clerk Przybylski answered question about how to use the carts, cost of extra carts (price is $\$ 75$ per cart per year). There was supposed to be a cart hanger with information attached to cart. GFL will be mailing out a new flyer to inform residents about the use of carts and placement of carts by the road. More information is on the town website and in the newsletter that was sent out with taxes.

Reports from Town Officers: Supervisor Przybylski supervisor report (1) received calls from residents for mailbox damage and some major sod damage. Sent information to Shawano county and McKeefry. They checked damage and made decision for repair. If snow pressure causes damage the resident repairs, if it was caused by truck blade then they repair (2) received call about garbage pickup and delivery of carts. Informed residents of the process (3) stop sign broken off at County Road C and Townline Road. Set back up for a temporary fix, then Shawano County fixed the stop sign (4) Main and Angelica Street sign and pole broken off and left on Center Street in Krakow. Austin Wall has fixed (5) picked up four internet advertisement signs at intersections in the town.

Supervisor Van Asten (1) received phone calls about the garbage and recycling carts. One resident did not receive their carts and called GFL to deliver.

Town Chairman: Chairperson Kucksdorf asked Matt Zierden to look at Green Valley Road and the shoulder is three to four inches low and they will take care of in the spring. Chairperson Kucksdorf talked to Ray Warden from Sweet Mama's in Krakow about snow plowing the property. The town will be snowplowing Center Street as if there was a ditch on your property. The reasoning is time and cost and it is a precedent not being practiced for any others. Chairperson Kucksdorf talked to Sherry Byrnes about the concern she had about junk cars parked on the street. Shawano County does not have an ordinance about parking vehicles on the streets.

Shawano County Board Supervisor ~ District 11: James Przybylski reported the county board has set up a consent agenda line for normal routine items that committees already approved. The board can call out any item they feel needs board attention, then discuss that item separate if needed. This will keep flow of meeting and all items on consent agenda will be approved at one time.

Public Comments: Brian Eckberg asked about when the new flyer will be mailed. GFL said it will be mailed out on Tuesday, January 10. Brandon Kleczka said a neighbor did not receive their carts. Bryan Kolodziej asked the price of the extra carts. Price is $\$ 75$ per cart per year.
