Shipping containers are only allowed in the following zoning districts:

- in Commercial Community and Commercial General with a conditional use permit
- in Manufacturing (permitted)

Shipping Containers are **NOT** permitted in the following zones: Residential, Farm Preservation, Farmland/Forest Holding, Open Lands/Agriculture/Residential, Recreation/Public Open Space, or Hamlet.

These measures are intended to preserve public safety and protect the form and character of neighborhoods.

**Shipping Container** under Shawano County Zoning Ordinance: *This use shall constitute a shipping container, intermodal freight container and semi-trailer boxes to be used for storage purposes and not for human habitation* (where permitted). This use term does not include portable outdoor storage units, such as PODS, which are only permitted for temporary use.

Shipping containers were written out of all zoning districts except the Commercial Community, Commercial General and Manufacturing in 2019.
